**Dear RV Industry Associate:**

As an active business in Colorado's RV industry, we invite you to join the Colorado Recreational Vehicle Association ("CRVA"). On behalf of our Board of Directors, and myself we want you to be part of the association that continues to watch out for your interests as an RV dealer/business within the State of Colorado.

CRVA has successfully lobbied on your behalf to eliminate the State seal inspection program for RV's. CRVA has also successfully lobbied to retain the Sunday Closing Law. CRVA is also very proactive in promoting the RV lifestyle within the State of Colorado. Everything that we do has a direct benefit for your business.

The CRVA continually monitors the Colorado State legislature and any attacks on the Sunday Closing Law. Being closed on Sunday is good business for our industry, our families and the families of our employees. It is a benefit we must fight for if we wish to keep it.

I have enclosed a membership application for you to send in with your annual dues of \$250.00. The first \$150.00 of your dues is set aside for RV lifestyle promotion. I think you will agree that this is a minimal annual investment for you to support the activities of your industry within the State of Colorado.

I would also encourage you to send a copy of the application for membership to your manufacturer's representatives. We want the RV manufacturers to be part of the RV industry in Colorado!

Join CRVA today by completing the enclosed membership application. Please feel free to contact me with any questions about CRVA.

Best Regards,

Jeff Haughton  
Executive Director
